Our history

Caudalie creates the Vinothérapie™ Spa

In 1999, while strolling through the grounds of Château Smith Haut Lafitte in Bordeaux, my husband Bertrand and I imagined the first Vinothérapie™ Spa in the world. A dreamlike place far from noise, far from everything, with vines as far as the eyes can see. A place where we have combined spring water drawn from a depth of 540 meters with vine and grape extracts. A place built in red cedar and Douglas fir, with Burgundy stone, with slats letting the sunlight filter into our large pale wood treatment rooms around the thermal bath. This place blends into the enchanting landscape of vines as if by magic, like an old tobacco-drying barn found in the South-West of France.

In this Vinothérapie™ Spa, senses are indulged, bodies are soothed and souls are regenerated. Our Vinotherapists carry out treatments not found elsewhere, that are effective and a delight for the senses, the Premier Cru, Vinoperfect, and Resveratrol-Lift facials, the Crushed Cabernet Scrub, Pulp Friction massage, the Barrel Bath, the Honey & Wine Wrap...

But, before that can happen, you have to enter them.

Welcome to our Spas.

We recommend that you arrive at the Spa 15 minutes before your scheduled appointment. If you wish, you may keep your undergarments on during the treatments; however, our Vinotherapists are extremely competent and will ensure your complete privacy. If you arrive late, your treatment will need to be shortened by same time as the delay, out of respect for later clients.

Length of stay

For maximum effectiveness of a cure, we recommend a 6-day stay. Nevertheless, we also offer half day and full day rituals to allow you to discover our Vinothérapie™ Spas.

Children

Children under 16 years of age are not permitted inside the Vinothérapie™ Spa.

Pregnancy

During pregnancy, certain treatments are not advised. We recommend that you consult with your doctor and inform us of your pregnancy when you book your treatments. For expectant mothers, we recommend facial treatments and/or our special expectant mother massage. The 100% grape ritual can also be adapted to their state of pregnancy.

We recommend that you reserve Spa treatments one month in advance. All appointments are registered with your bank card number and a 30% deposit. We request that you contact us 48 hours in advance in case of changes. After this time frame, you will be billed in full. Treatments must be paid for at the Spa Reception. At Les Sources de Caudalie Vinothérapie™ Spa, we require a booking of a minimum of one 50-minute treatment per person on weekdays and 3 treatments per half day on weekends and holidays in order to guarantee the most intimate and calm experience in our Spa. Treatments in our rituals and cures are not changeable and are subject to availability. Access to the thermal bath and hammam is free with €160 worth of treatments per person and per half day.
