FOR SPORTS AND NATURE ADDICTS

Awaken your senses in the forest

Our “Forêt Eveillée” is a way of expression for young local contemporary artists. Their art works are subjected to elements and ‘live” in total communion with Nature for some of them, or on the contrary for others, in opposition...

Visitors will look at the games of lights all along the path scattered with art works which winds between trees, flowers, streams and vines.

They will also hear, touch, smell, and finally taste the surrounding nature. The walk can last from 1 to 3 hours.

Open Monday to Saturday, 10am to 7pm
Sundays and public holidays, 10am to 6pm
Free for hotel guests.

Discover our property's art works

Many art works are disseminated across the Smith Haut Lafitte estate and Les Sources de Caudalie. By following a predefined map, you'll discover the whole property from a new perspective. From Barry Flanagan to Cesar and Nathalie Decoster, art at Les Sources de Caudalie will not have secrets for you anymore! A brochure is at your disposal at the Reception to guide you throughout your stroll.
